impressively smooth ride quality; painstaking construction; unrivaled backseat with Executive Class package; strong reputation for reliability. Source: Edmunds * The 2015 Lexus LS combines the seemingly incompatible goals of offering first-class luxury at a relative value. It delivers the dignified indulgence expected of a full-size luxury sedan with plentiful features, but with relatively low cost of ownership and excellent reliability. Source: KBB.com * Generations of the LS have inspired an entire industry through visionary innovation, craftsmanship and design. To help provide even more traction and command, all-wheel drive is available on every LS, even when you opt for the 19-inch wheels. The direct-injected 4.6L, 386-hp (360hp w/AWD) V8 engine pairs with an eight-speed automatic transmission on an agile platform to deliver an invigorating blend of acceleration, seamless shifting, control and fuel efficiency. ECO mode, the throttle response and engine power output are moderated for increased fuel efficiency. Other vehicle systems are also optimized for reduced power consumption. Available Comfort mode adjusts the suspension for a smoother ride. With 438 total system horsepower and a 0-60 time of 5.6 seconds, it's no wonder the LS 600h L is a leader among luxury hybrids. After all, from launch it was the world's first prestige luxury and AWD V8 hybrid. Plus the LS 600h L pairs a powerful 5.0L V8 gasoline engine with cutting-edge hybrid technology to deliver

smooth, seamless power you would expect from a Lexus. Unlike anything else in the world, the stunning design of the available Shimamoku Espresso wood-trimmed steering wheel and matching interior trim combine the organic feel of natural wood with a layered look that evokes modern art. Engineers and technicians spent over 2,000 hours tuning the available 19-speak
